A modern, simple, and unencumbered elegance of place and space at Healdsburg Modern Cottages. Healdsburg, California. www.healdsburgmoderncottages.com

Healdsburg Modern Cottages offer an intimate, private setting for assembling.

THE MORE THE MERRIER. Perfect for wedding goers, book groups, families, best friend get-a-ways, and like minded groups who share interests and time together (think wine lovers, hikers, foodies, bikers, writers, and naturalists).

DO THE MATH. We can accommodate eight guests in the four king beds of four units named Eileen, Charles, Ray and George. Modern sleeper sofas that open into flat queen size beds (not the type with the bar in the middle of your back!) are in Ray and George. The sofas are located in the living room areas so this arrangement works well for your closest of comrades. Groups who use the sleeper sofas appreciate the generous sized bathrooms and the beautiful outdoors which enlarge the livable space to make our cottage compound comfortable for a total of 12.

WHAT TO EXPECT. All four cottages have a gas fireplace, wireless internet, flat screen TV/DVD, telephone, CD player with iPod hookup, a small refrigerator, coffee maker, hair dryer, ironing board and iron, Thymes toiletries, luxury linens, down pillows and duvet, and the most comfortable bed imaginable. The landscaped grounds and the swimming pool are shared by all. You will be greeted with bottled water, Flying Goat coffee for your coffee maker and an information packet.

WHAT NOT TO EXPECT. Interruptions, maid service, mini bar and tipping.

WHAT TO REQUEST IN ADVANCE OF ARRIVAL. Maid service and any special needs.
